

TABLE B - APRIL 2015								
TOTAL TOURIST ARRIVALS EXCLUDING TRANSIT TOURISTS								
A tourist is an overnight visitor taking a trip to a main destination outside his/her usual environment, for less than a year, for any main purpose (business, leisure or other personal purpose) other than to be employed by a resident entity in the country or place visited. As of 2014, Statistics SA is no longer able to provide statistics on Transit Tourists and therefore a new baseline is now created.
