

TABLE B - JANUARY 2016
TOTAL TOURIST ARRIVALS EXCLUDING TRANSIT TOURISTS

A tourist is one passport holder making a trip to an Asian destination outside their usual environment. For the purpose of this table, the only non-resident tourists who are not included are those who are employed by a resident entity in the country or place visited. As of 2014, Singapore has no longer allow non-resident Singaporean, Thai, Russian and Indonesian tourists to visit without a visa.
